MEMORANDUM FOR: Deputy Director for Intelligence

FROM: Deputy Director of Central Intelligence

SUBJECT: Efforts on Technology Transfer

REFERENCE: Your Memorandum, Same Subject, 18 January 1985

1. Reference is a good paper and I am encouraged by the level of activity on the technology transfer problem. I am anxious that we keep the momentum up and therefore am quite pleased with the initiatives suggested.

2. Of the initiatives, I endorse all but one. [REDACTED]

[REDACTED] Somehow I don't feel that this is the responsibility of CIA. However, I would encourage TTAC to urge Commerce to take the lead in this worthwhile venture. On second thought, TTAC might find Treasury, through Customs, far more receptive to the idea and probably in a better position to implement it.
